There is a classroom component for the 3- and 4-credit versions on Mon. 12:50-2:40pm. Prerequisite: Civil Procedure. Pass/fail only. Prof. Harley’s approval is required for the 1-credit version. Students are required to perform 5 hours a week of fieldwork for the one-credit version; 10 hours a week for the 3-credit version; and 12 hours a week for the 4-credit version, in addition to the classroom component.

OTHER CHANGES
Criminal Litigation 2 (161-51) (Tues. 6:00-7:50pm): This course was previously open only to students in the Criminal Litigation Certificate Program. The course is now open to other students if they have taken Evidence and Trial Advocacy 1 (Criminal Procedure: Investigative Process is recommended but not required). Students may take this class even if they did not take Criminal Litigation 1. Please email Dean Sowle if you are interested in taking this class. Here is a description of the class for non-certificate students:

Interested in perfecting your trial skills? Yearning to feel the rush of high stakes criminal litigation? Consider taking Criminal Litigation 2. The class is conducted in a highly experiential manner. Students will be assigned to prosecution or defense teams and over the course of the semester will litigate a single murder case from arrest and charging through trial. Students will be responsible for litigation theory and strategy, drafting and litigation of pre-trial motions, devising work-arounds in the event of an adverse ruling on an evidentiary matter, witness preparation and presentation, exhibit preparation and introduction, and trial before a jury. The final trial will be a day long litigation fest on the last Saturday of the semester.
