

# J.D./M.B.A. Dual Degree Information Session

**Gain a competitive edge by combining a Chicago-Kent College of Law J.D. with the management expertise and high-level business skills of a Master of Business Administration from Illinois Tech's Stuart School of Business.**

**Virtual session on Thursday, April 20, from 4–5 p.m.**

Build the marketable skill set to work effectively in the corporate and business worlds, with career opportunities in areas such as:

- Commercial transactions and deals
- Contract negotiations
- Regulatory compliance at the federal and state levels
- Administrative law and arbitration
- Corporate counsel and legal/management consulting

Hear from Chicago-Kent and Stuart faculty and staff on the next steps to pursue this program to accelerate your career. Dual-degree program students may apply up to 12 credits of Stuart M.B.A. coursework toward the requirements for the J.D. degree.
