Note about the Summer Term: In accordance with university policy, summer classes will not be offered in hybrid format. Students who enroll in summer classes will be expected to attend in person.

Credit Hour Limits: With the exceptions noted just below, students may take a maximum of **6 credit hours** in the Summer term; there is no minimum. **Exceptions:** Students who take Business Organizations, or who take a 4- credit Clinic or Externship course, may take a total of 7 credits. Students who take *both* Business Organizations *and* a 4-credit Clinic or Externship course may take a total of 8 credits. Any student taking more than 6 credits should contact Dean Sowle (ssowle@kentlaw.iit.edu) so that your maximum credit limit can be adjusted in the registration system.

Course Fee: A course fee of \$350, in addition to regular tuition, will be charged to full-time students for regular classroom courses taken during the Summer term, including any courses taken through our consortium programs with DePaul, Loyola, and UIC, and including classes taken through other ABA-accredited schools. **Exceptions:** (1) The fee does *not* apply to part-time students (for any course); (2) the fee does *not* apply (for any student) to clinical courses, externships, or Independent Research credits pursued at Chicago-Kent; and (3) the fee does *not* apply (for any student) to courses taken through Chicago-Kent exchange programs with universities abroad. If you qualify for financial aid loans, those can be used to cover the cost of the fee; scholarships, however, cannot be used to cover the cost of the fee. **Note to part-time students:** You may see the course fee on your account if you take a regular classroom course; a credit equal to the fee will be applied to offset the charge at the end of the Summer add/drop period.

--------	-----------------	--------	---	------	---------------	----------	---------

*This is a specialized section of Evidence; you may not take this course if you have taken, or plan to take, the regular Evidence course. This course is designed to present evidence from the perspective of a trial lawyer and is aimed at students who plan a career in criminal or civil litigation. The material will cover a traditional evidence curriculum while demonstrating how the rules are actually used and argued in the adversarial process. It will be an interactive class in which students will spend a great deal of time solving evidentiary problems, arguing opposing sides, while mastering the rules. Preference will be given to students newly-accepted onto Trial Team. **Note:** If you register for this course, you will be required to register for the Intensive Trial Advocacy 1 class in August (registration for that class will take place as part of Fall 2023 registration), and then Trial Advocacy 2 in the regular Fall semester.

In-House Clinic and Externship courses are listed on the next two pages.

CLINICAL EDUCATION COURSES

Permission is required for admission to all clinical programs. All In-house and Externship clinical programs are graded on a pass/low pass/fail basis only. Students are expected to put in a minimum of 224 hours (an average of 32 hours a week for 7 weeks) for 4-credit In-House Clinics and for Externships (in addition to the classroom component), and a minimum of 168 hours (an average of 24 hours a week for 7 weeks) for 3-credit In-House Clinics (in addition to the classroom component). Students must be available at the days and times designated below to meet with supervising attorneys and at other times as required by the supervising attorneys.

Please note: The information in the Format column below refers to the weekly Monday/Wednesday meetings. As indicated, some will meet remotely and some on-site. For those that meet on-site, students approved to take summer classes online will participate remotely. Students will be expected to meet with their professors at other times during the week unless they have been approved to take classes remotely.
