

2024 Admitted Students Weekend Travel Stipends

Submission Deadline: 5/1/2024

Travel stipends are available for admitted students who live more than 80 miles (one way) from campus. The stipend will reimburse up to \$200 of eligible travel expenses for Admitted Students Weekend. *Please note that the stipend is only available for Admitted Students Weekend. We are not able to offer stipends for other admitted student visit programs or for individual campus visits. All reimbursement requests must be submitted by **May 1, 2024**.*

To take advantage of the travel stipend, please complete the form below, attach copies of your travel receipts, and return the materials to us during Admitted Students Weekend. Within approximately six weeks following the event, you will receive a reimbursement check by mail. Eligible travel expenses include airline, train or bus fare to Chicago; the cost of gas and tolls for those traveling by car; and/or hotel accommodations. Incidental charges such as food, parking and local transportation are not reimbursable. If you will be visiting other law schools during your trip to Chicago-Kent and you are eligible for a travel stipend from those schools, we ask that your reimbursement request be made on a pro rata basis.

If you have any questions about the travel stipend program, please contact the Office of Admissions at (312) 906-5020 or admissions@kentlaw.iit.edu.
